Nikki Rideout

I've been a proud Rotarian for nearly a year, drawn to the camaraderie of like-minded individuals and the opportunity to live out the "Service Above Self" motto. I especially enjoy volunteering to feed the homeless, with New Life Warehouse, and participating in our super fun social events.

As the owner of Elle Claire Designs, I help small businesses shine with professional website and graphic design. With a bachelor's degree in marketing from FSU and a master's in information science from USF, I bring both creativity and strategy to my work.

Outside of Rotary, I love long walks, thought-provoking podcasts, and reading deep, nerdy books. My husband, Stephen, and I have two daughters, Madeline (22) and Kate (19), both studying at Liberty University. Every summer, our family goes on a six-week RV adventure out west exploring and hiking the country's most stunning landscapes.

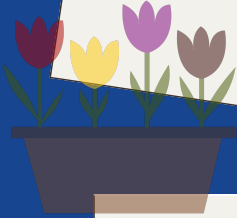

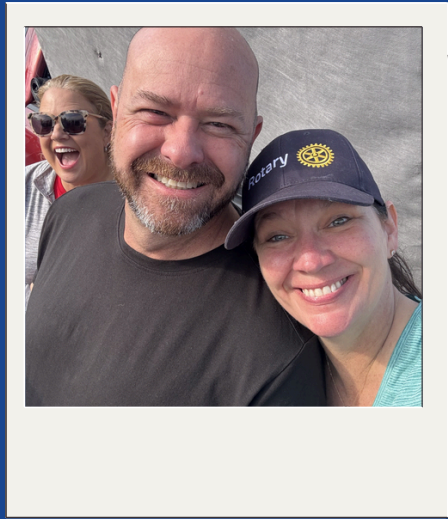

You can reach me at elleclairedesigns.com or nikki@elleclairedesigns.com.

Celebrating 20 years of Amazing Love Ministries!

It all began 20 years ago when Jim and Barbara Killeen's family started making and serving 20 sandwich lunches to the homeless community from the trunk of their car at Curtis Hixon Park. While this provided physical nourishment, it was the spiritual nourishment they provided that truly transformed lives.

We invite you to join us for a special open house as we celebrate this incredible milestone with food, fellowship, and gratitude. Lunch and refreshments will be provided.
